THE RED CROSS PHARMACY.

Why Men Grow Weak

It is Due to a Wasting of the Most Vital Elements, Which Destroys the Whole of the Bodily Forces.

It makes young men feel old and it cuts off the usefulness of middle-aged and old men long before their allotted time, resulting in premature decline and decay. It robs the blood of all its richness, exhausts the body of its animating powers, and saps the very life itself from the brain and nerve centers. Dr. Chase's Blood and Nerve Food acts at once upon this impoverished condition of the blood, brain and nerve forces, stopping the drain and replacing with the same material that has been wasted. It fills the shriveled arteries with pure, rich blood, which increases the weight in pound, healthy flesh and muscles, that give you strength, and the brain and nerves with fresh, vital fluid, that forces new life and vigor into every portion of the body, building up the entire system and transforming the sufferer into a type of perfect manhood. Weigh yourself before taking it. Price 50 cents. Book free.

Sold and guaranteed by E. A. Drown.

Hilda Thomas, Sam Mylie and Sid Forrester form a clever trio of funsters as any that have ever been secured for a musical extravaganza, and it is their merry quips and ludicrous antics that do so much toward making B. C. Whitney's production of the latest musical success, "The Show Girl" or "The Magic Cap," which will be at the opera house on March 11, the tremendous success of effusive laughter that it is.
